Dear Patients and Friends,

I remember bringing Ideal Protein to Champaign County in 2010. Since that time my team of coaches and I have had the honor and privilege of helping thousands of patients improve the quality of their health and life.

Some of you are aware that I am Vice Chair of the Illinois Medical Licensing Board, a voluntary, Governor appointed position. As I prepare to step up as Chair of the Board starting in 2020, I find the time commitment needed to serve properly on the Board increasing significantly. Additionally, while I personally find it difficult to believe, I will be turning 65 later this year.

It is with these thoughts in mind, and with some sadness, that I am announcing **the final day of serving patients at JumpStart Weight Loss will be Tuesday, May 29, 2019.**

For those of you who want to lose 10-12 pounds between now and May 29th we will be able to coach you through phases 1-3 and you will be ready to re-enter phase 4 (maintenance). Just call the office ASAP on Monday April 8th.

At the personal level I want to say thank you to all of the patients who've entrusted me with their healthcare needs for the past 37 years. It has been an honor and a privilege to serve you, your family, your friends and co-workers.

Yours in health, always.

Dr. Doug Matzner
